 - Review Principal Presentation in Drop Box & Start LSC Evaluation Rubric Self Assessment
- 7) New Business
 - Principal presents School Budget for 2020-21 school year,
 - i) Regional Gifted Centers funding dropped from \$244,000 to \$201,000, \$10,000 was added to support for program focus funding,
 - ii) teacher salary increases for step/lane adjustments and cost of living increase has gone up, which is why the budget looks like there is a decrease
 - iii) Budgeting is based on per student costs, if we lose enrollment we lose money

- iv) Principal proposes a K-1 blend for Gifted Bilingual position, moving 1st GB teacher to 2nd and 2nd GB teacher to another classroom, reps are asking about cut off scores and 2nd round options Principal Racasi says she received an email prior to meeting in regards to second round option and will be looking at how this will work, Adame asks question in regards to what would be the plan if this issue cannot be fixed for next year, what does that mean for curriculum/ structure/ for both teachers and students. Will kindergarten students possibly end up moving into 1st to be with the same teacher, which would affect the curriculum being taught, what does this mean for assessments. Principal Racasi says she is not sure what that looks like right now and will be working on that. Kieta asks about communication for parents, Principal Racasi said she will have a meeting with Kinder GB parents.
 - v) Drop in supplemental aid due to a decrease in the number of students who qualify for it, 60% to 52%
 - vi) Decrease in number of students who qualify for Title I funding which decreased the total funds due to \$216,505 to \$213,378
 - vii) Title II funds is new, used to decrease class size given (this is new) \$40,000, Valencia asked if this could be used to ensure an aide for the k-1 blend proposed, Principal Racasi said that is not how it has been used and that we currently have one aide that is at Pulaski and would be used to help, said that if enrollment increases we could possibly get additional funds to hire a new aide
 - viii) Special education funds/ an additional teacher was added; but two SECA's were eliminated
 - ix) Class size, chagoya asked question in regards to contractual obligations as far as class sizes goes, for example k-2 should not have more than 28 students in a class and if it does there should be an aide, Principal Racasi says that after the first 20 days that can be petitioned with CPS to acquire an aide for that class, but that process may take 2 more more months
 - x) Review of CIWP and ties to funding
 - xi) Chagoya asked if primary would be getting more devices, Principal Racasi says yes they will
- 8) Closed session to review principal evaluation
- o motioned by Chagoya, seconded by Valencia, motion passed unanimous
